PROVEN STEEL CANOPY EXCELLENCE TO KEEP YOUR FLEET MOVING

SAMMITR

BUILT to WORK

Sammitr Australia is the ideal partner and solution provider when it comes to your fleet vehicles, equipment and service needs. SMM has a wide range of products ranging from steel canopies right through to full fit outs for the back of your 4WD fleet ute.

SMM canopies are the only pressed steel canopies in the world that are manufactured using the same production techniques as the rest of your fleet vehicles.

Our canopies are available nationwide, and fleet pricing is available across the full range of SMM canopies and 4WD accessories.
